

## Trek Parts

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning equipment. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have more than sixty years of experience successfully designing, developing, marketing, manufacturing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are devoted to giving new design concepts and top quality so as to meet the diverse needs of their clients.

TREK Cleaning Machines always offers fresh design concepts as shown in their product development. They enjoy offering products that energize both their dealers and their partners and provide production gains to their clients.

The team at TREK enjoys handling new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the understanding of operators' skills and requirements together with their understanding of cleaning applications, along with owners' strong desire to considerably lower expense through productivity gains.

When required, the staff members within TREK and its various dealer members in both parts and in technical support would be obtainable. Among their core values is their high service dedication in their customer service. Keeping their customers' cleaning machines functioning and ready daily is top priority. The company's top of the line technology delivers reliable equipment that ultimately lessens your cost of cleaning. The product, the price and the service all work together to make them the leader in the industry.
