

Rockwell Parts

Rockwell Parts - AxleTech International is a leading dealer in the world of specialty vehicle drive-train systems and parts along with off highway vehicles. The business prides itself on being its clients' chosen supplier. AxleTech strives to meet and exceed their clients' expectations for delivery, quality, service and technology. They believe in working within an environment which encourages the highest integrity with empowered collaboration, combined with a unyielding pursuit of results.

AxleTech International is a General Dynamics company. They believe strongly in actively utilizing principals of environmental stewardship and safety in how they do business. The company has put various programs in place to be able to articulate these values within their business policy. AxleTech gladly shares this policy and welcomes interested parties to provide them with whatever questions or comments, since they are happy to promote and share this policy with a greater understanding of their efforts. They are extremely committed to preserving and improving the natural world. AxleTech has an EHS program which not only protects the natural world but which also actively protects their staff and neighbors as well.

AxleTech specializes in the designing and manufacture of planetary axles utilized for both commercial and military applications, which could include anything from construction equipment to airport ground support. They take great pride in being an innovative drive-train solutions provider as well. AxleTech specifically designs axles to meet certain application demands. They have over 1000 various axle specs in their current offering. With more than 100+ years of knowledge and history, AxleTech proudly supplies the most complete solution for whatever of your axle requirements. The company is well known in many commercial and military applications. They provide complete axle assemblies for aftermarket replacement requirements, together with servicing axle requirements for OE production. Their high mobility ISAS have further details which can be found in the "ISAS" product selection.
